Sunday Morning Bible Study Lessons

Topic of the Month—Songs of the Old Testament

Unit II looks at various songs Israel used in worship and prayer. While we may not know the melody of their songs, we can get a sense of the mood embedded in the lyrics and what the people of Israel felt in the presence of God's power and goodness.

- Lesson 5 notes the deliverance of Israel from Pharaoh at the Red Sea and the song Miriam led in response.
- Lesson 6 considers Psalm 51, usually regarded as David's prayer of confession following his adultery with Bathsheba and the slaying of her husband Uriah in battle; children hear the background story of the death of Uriah.
- In Lesson 7, a plea for deliverance is considered through Psalm 22. At the same time, children study the rescue of Daniel's friends at a time when they might have prayed this psalm.
- Lesson 8 takes us to the first part of Isaiah 25, a song of praise for deliverance from oppression; children hear about Daniel's miraculous rescue from a den of lions.
- The final session of the unit (Lesson 9) looks at Psalm 62, a song of trust in God.

October 6—Prayers of Repentance and Confession

Devotional Reading: 2 Corinthians 7:5-11 **Background Scripture: Psalm 51:1-4, 10-12, 15-17**

It is challenging for people to acknowledge that they have hurt others. When David's sinful actions caused harm to others, he repented and found forgiveness in the Lord.

October 13—A Plea for Deliverance

Devotional Reading: Psalm 107:23-32 **Background Scripture: Psalm 22:1-11**

People may feel desperate or alone amid tragic circumstances. Calling on God for help gives a sense of release and bolsters hope for divine rescue.

October 20—Praise for Deliverance

Devotional Reading: Ephesians 1:3-14 **Background Scripture: Isaiah 25:1-10a**

People seek refuge during the stormy trials of life. God's promises and faithfulness can assure us that we will endure until the storm passes.

October 27—Trust in God Alone

Devotional Reading: Jeremiah 17:5-11 **Background Scripture: Psalm 62**

There are times when the fast pace of life keeps us in a frenzy. In stillness and quiet, the psalmist finds God's salvation, hope, refuge, and deliverance.

October is Breast Cancer Awareness Month. Did you know that more than 360, 000 people will be diagnosed with breast cancer in 2024? According to the National Breast Cancer Foundation, Inc., advancements in early detection methods and support continue to increase the chances of survival. When caught in its earlies, localized stages, the five-year relative survival rate of breast cancer is 99%.

Examine your breasts often physically and visually for signs and symptoms of abnormalities. By doing this you are becoming familiar with how your breasts look and feel normally. You will be able to find any new lumps or changes to your breasts. These changes should be reported to your doctor right away. Schedule your mammogram with your health care provider.

According to the American Cancer Society, there are some steps women and men can make to lower your risk for breast cancer.

- Get healthy and stay healthy.
- Stay physically active
- Avoid or limit alcohol

There is a lot of information on breast cancer. The American Cancer Society and the National Breast Cancer Foundation, Inc. has more information and videos to educate you.

**The Deaconess will be in the vestibule October 13,
pinning pink ribbons on each of you in observance of
Breast Cancer Awareness Month.**
