NHC Fellows Program to offer financial assistance for students in mental health and substance use fields

WILMINGTON, N.C. (WECT) - Grad students at New Hanover County colleges can apply to the county's Fellows Program for financial assistance. The program offers forgivable financial assistance to anyone pursuing a career and will serve locally after graduating, according to the NHC Fellows Program.

The program has now received \$50 million in funds to increase more professionals in mental health and substance use disorder service providers.

“Over the last two years, we’ve connected with students who have a service-focused mentality and an incredible passion for this line of work—which is why we are so excited to begin working with our next cohort,” said Chief Diversity and Equity Officer Linda Thompson. “We’re grateful to our in-state institutions for their help in making this program possible, and we’re excited to continue this partnership, which gets students the financial support they need for their educational journey while addressing a need for mental health providers in New Hanover County.”

Anyone selected for the program who is enrolled in a psychiatric nurse practitioner program can receive up to \$4,500 per semester, with a maximum award of \$36,000. Students in the mental health provider program can receive \$3,500 per semester, with a maximum of \$14,000.

Applicants must be enrolled and in good standing with a North Carolina-accredited program to be eligible. Psychiatric nurse practitioners also must serve a minimum of three years in New Hanover County after graduating and obtaining a license, while mental health providers must serve two years.

Applications are open until June 30.

To apply, visit the county's website [here](#).

Welcome to the North Carolina General Assembly House Page Program website

This program offers young men and women the opportunity to learn about, and participate in, the legislative process of our state. It is a four-day long experience that allows high school students that are currently in grades ten, eleven, or twelve to observe firsthand how our laws are made. It provides them the unique privilege of working in the House Chamber in the midst of legislative action.

House Pages are important to the operation of the General Assembly as they assist the Members and staff of the House during the legislative session. They participate in daily sessions, committee meetings, and perform other duties including, but not limited to, delivering messages and materials within the legislative complex, completing mailings for Members, and passing out documents or running errands in the House Chamber during daily sessions.

Selection Process

The selection process for this program is highly competitive. Official appointments are made by the Speaker of the House based on recommendations by individual Representatives. Students submit their application to their Representative who selects the individuals to be appointed by the Speaker. Appointments are made on a first-come, first-served basis.

Bible Reading Plan

“Lenten Bible Reading Plan”

The book of Mark is attributed to John Mark, who wrote this letter to the church in Rome. It emphasizes the cross, Christian discipleship, the teachings of Jesus, and the importance of Jesus being not only man but also the Son of God. The gospel of Mark is simple and easy to understand. It walks through much of Jesus' earthly ministry as well as His death and resurrection. While being simple, it is also powerful and cultivates a deeper faith as we grow in our understanding of the life-changing, personal sacrifice that Jesus made for our sins. This makes the book of Mark a fantastic gospel to use as a Bible reading plan for the season of Lent. The Lenten season is March 5 – April 17.
